

Dear Friends & Colleagues

Warm Greetings!

Recent Publication

Recently Mitresh Kundalia, Director - SAP Practice, had an article published in the leading SAP publication, SAP Financials Expert, published by WIS.

Unearth the Hidden Secrets of Zero-Balancing in the New G/L

International financials regulations may require you to zero-balance the financial transactions by certain characteristics – such as, profit center, segment and more. In this article, the author describes how to set-up the zero-balancing characteristics. Also, learn the un-documented feature of how system creates varying number of zero-balancing line items.

As our valued customer, we would like to share with you the abstract of the article. You can download this article using the link to our web-page.
